

Widening Training Series

Widening Training @UPC: Transparency, Gender Balance and Cultural Diversity

26 to 28 May, 2026

Universitat Politècnica de Catalunya, Barcelona

How does it work?

The Unite!Widening Training (Barcelona) @UPC will welcome PhD students and Early Career Researchers across Unite! partner universities and Widening universities. Participants will learn about Transparency, Gender Balance and Cultural Diversity in research environments.

Highlights:

- Transparency session focusing on how open science practices can contribute to enhance the research activity. Integrity of research and ethical aspects will be also considered.
- The Challenge of Diversity - working effectively in diverse international teams and developing intercultural and global competence.
- Addressing Unconscious Bias in Academia: Awareness, Impact, and Strategies for Equity
- Gender perspective in research

Dates: 26–28 May 2026, lunch-to-lunch

Location: Universitat Politècnica de Catalunya, Barcelona

Target audience: PhD students and Early Career Researchers across Unite! partner universities and Widening universities

Participants: 6 from ULisboa + 6 from Wrocław Tech + 1 per Unite! University + 4 from other Widening university + several other slots for UPC host institution.

Participation: Free of charge. Registration required.
